

SPECIALISTS AND SUPPLIERS IN STAINLESS STEEL AND MULTI-METALS

ABOUT US

As a privately owned company established in 1992, Chase Alloys Ltd is a stockholder of ferrous and non-ferrous metals with Head Office situated in Cannock, Staffordshire.

By offering a wide range of Stainless Steel and Multi-Metal products to all aspects of British industry, Chase Alloys has become one of the finest stockists and suppliers within the UK.

Our knowledge and experience gives us the ability to quote on non-standard and 'specials' using our contacts both home and abroad to ensure that your requirements are fulfilled.

Whatever your requirement, routine or complex, you will be talking to people who really know the business and can answer your queries. We take both personal and professional pride in processing your order, large or small, through from enquiry to delivery.

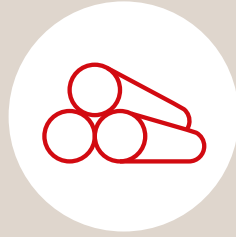

Head Office/Warehouse

Located in Cannock, Staffordshire, near the M6 and M6 Toll, Chase Alloys is ideally situated to provide fast nationwide coverage, using our own fleet of delivery vehicles.

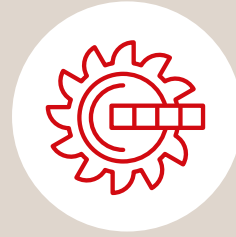

With over 500 tonne of stock, combined with our in-house processing facilities (split between various warehouses), our modern premises means that we can maintain a high level of stock, ensuring customer orders can be met and delivered to schedule.
